

## CHEM 2212L

### ORGANIC CHEMISTRY II LABORATORY

#### MASTER COURSE SYLLABUS

*Instructors will provide students with additional course-specific information, including attendance/makeup policies, assignment/test scheduling, and instructor contact information, as necessary and appropriate.*

<b>Prerequisite(s):</b>	CHEM 2211, 2211L
<b>Co-requisite(s):</b>	CHEM 2212
<b>Term(s) Offered:</b>	Spring and Summer
<b>Class Hours:</b>	0
<b>Lab Hours:</b>	3
<b>Credit Hours:</b>	1

#### Course Description

In this laboratory course, students perform experiments to illustrate the reactions, principles and techniques presented in Organic Chemistry II. Students gain additional experience in instrumentation, synthesis and techniques relating to isolation and purification. They also expand their capabilities relating to the identification of organic compounds.

#### Course Competencies and Student Learning Outcomes

##### Laboratory Safety

Order	Description
1	Examine and discuss laboratory procedures encompassing the appropriate practice of laboratory precautions and safety.
2	Examine procedures of organizing a laboratory notebook.
3	Examine procedures for writing a lab report.

##### Preparation of organic compounds

Order	Description
1	Record laboratory procedures relating to preparation of organic compounds.
2	Perform and apply laboratory procedures encompassing preparation of organic compounds.
3	Evaluate laboratory procedures encompassing preparation of organic compounds.

#### Required Textbook(s) and Materials

Students enrolled in this course are obligated to have the following:  
Hill and Barbo, Experiments in Organic Chemistry, 3<sup>rd</sup> Edition. Raleigh, NC: Contemporary Publishing Company of Raleigh North Carolina. ISBN: 0-89892-311-5.

## Grading Scale

The grading scale is detailed in the *Catalog and Student Handbook* and listed below for reference. All faculty members follow this scale when assigning grades to reflect a given student's performance in the classroom.

<u>Grade</u>	<u>Numerical Equivalent</u>	<u>Grade Point</u>
A/A*	90-100	4
B/B*	80-89	3
C/C*	70-79	2
D/D*	60-69	1
F/F*	0-59	0

Effective Summer Quarter 2006, Athens Technical College replaced the S/U grading system used for learning support classes with an A\*-F\* grading system. The registrar uses an asterisk (A\*, B\*, C\*, D\*, F\*, W\*, WF\*, WP\*) to designate learning support course grades on transcripts and grade reports because these grades are not components of the term grade point average.

## Academic Support Center:

The Academic Support Centers of Athens Technical College (ATC) provide free tutoring for enrolled students. Both instructors and peer tutors provide tutoring in almost all subjects offered by the college. Information about the Center is accessible via the ATC website at <http://www.athenstech.edu/StudentDevelopmentServices/AcademicSupportCenter>. To find out the specific services available on the Athens, Greene, and Walton Campuses, please call (706) 583-2839. To contact the Academic Support Center on the Elbert County Campus, please call (706) 213-2129.

## Attendance

Regular class attendance is important and expected. The college considers both tardiness and early departure from class as forms of absenteeism. Students absent from class for any reason are still responsible for all work missed. Instructors have the right to determine whether work missed can be made up and have the liberty to set reasonable expectations for attendance based on frequency of class meetings and on the instructional delivery method, subject, type, and level of the class. Class attendance policies will be clearly stated for students by their respective instructors on separate documents (course outlines/schedules) or appendices to the master syllabus.

## Course Withdrawal

Students may withdraw from a course without academic penalty until the midpoint of the term. Students withdrawing after the midpoint of the term receive grades of WP – Withdrawal Passing, or WF – Withdrawal Failing. Students who stop attending class(es) without formally withdrawing risk earning a final grade of F, which will appear on the academic transcript. Withdrawing from a course may impact financial aid status, academic standing, and GPA. Refer to the ATC *Catalog and Student Handbook* for further details: <http://www.athenstech.edu/Catalog/>

## Course Technology

Course addendum will provide details concerning the use of technology in the course. Course schedule types include **web-enhanced** – taught face-to-face; **online** – taught online using the internet, may require proctored exam; **hybrid** – class time is split between face-to-face and online; **video conference** – taught at two or more campus locations simultaneously with instructor located at one of the classroom locations. More details are available on the Athens Technical College website: <http://www.athenstech.edu/eLearning/CourseList.cfm>

## Continuation of Instruction

In the event of severe weather or other emergency, students will be expected to continue participating in learning activities via ANGEL, Athens Technical College email, or other modality. Instructors will provide a plan for the continuation of instruction.

## **Work Ethics:**

To fulfill the responsibility to teach essential workplace ethics, the college provides students instruction in, and evaluates students on, the following ten work ethics traits: attendance, character, teamwork, appearance, attitude, productivity, organizational skills, communication, cooperation, and respect. To best equip students for successful workplace experiences in their chosen profession, instruction and evaluation takes place in the context of their program of study.

## **Academic Honesty**

Academic honesty is expected at all times. Any student found to have engaged in academic misconduct such as cheating, plagiarism, or collusion is subject to disciplinary sanctions as outlined in the Student Code of Conduct detailed in the *ATC Catalog and Student Handbook*. See the following link for the complete Academic Honesty policy:

<http://www.athenstech.edu/StudentAffairs/AcademicHonesty/Academic%20Honesty.pdf>

Students are also advised to complete the tutorial on Academic Honesty available here:

<http://www.athenstech.edu/StudentAffairs/AcademicHonesty>

## **Americans with Disabilities Act**

It is our goal at Athens Technical College to provide equal access to education for all students. Any student with a documented disability is eligible to receive reasonable academic adjustments and auxiliary aids in the classroom and/or for testing at Athens Technical College, as long as appropriate documentation of the disability has been submitted to the Disability Services Office in a timely manner. Students can access the application packet on our website:

[http://www.athenstech.edu/CurrentStudents/orientation/files/disability\\_services\\_application.pdf](http://www.athenstech.edu/CurrentStudents/orientation/files/disability_services_application.pdf)

## **Cell Phones and Electronic Devices**

Cell phone use in the classroom for non-instructional purposes, with the exception of receiving emergency notifications, is prohibited.

## **Food/Drinks in Classroom**

Food and beverages (other than water) are not allowed in classrooms/labs.

## **Communication with ATC Faculty and Staff**

Students, faculty, and staff must use Athens Technical College email and ANGEL accounts for all college-related communications. Students are obligated to check their email and ANGEL accounts on a regular basis, preferably daily.

## **Warranty of Graduates**

The Technical College System of Georgia warrants every graduate of technical programs in which students may earn technical certificates of credit, diplomas, or associate degrees. The warranty guarantees that graduates demonstrate the knowledge and skills and can perform each competency as identified in the industry-validated standards established for every program of study. If one of our graduates educated under a standard program or his/her employer finds that the graduate is deficient in one or more competencies as defined in the course/program standards, Athens Technical College will retrain the employee at no instructional cost to the employee or the employer. This guarantee is in effect for two years after graduation.

## **TEACH Act**

According to the TEACH Act of 2002, Athens Technical College is obligated to advise you that instructional material included in this course may be subject to copyright protection. As such, you must not share, duplicate, transmit, or store the material of this course beyond the purpose and time frame explicitly stated in the syllabus of your course. If you are not certain whether a particular piece of material is covered by copyright protection, you should contact your instructor and obtain his/her written clarification. Failing to observe copyright protection is a violation of law.
