

Dates to Remember

The dates below have been created as a guide for you to follow in completing your application file for the CDL program. We hope this will be beneficial as you go through the process. Please note that each grid is broken down by the session you wish to be enrolled. Given the limited number of seats and high demand for this program, the timely completion of your application file is very important. Please refer to the introduction letter for details of each part of the application packet. The grid below also provides a place for you to track/check your progress. As always, if you have questions, call the Office of Student Affairs at 706.213.2100.
