

# Program Change Form

Students must complete and submit this form by the fourth week of the quarter in order for the program change to become effective for the following quarter. Submit completed forms to the **Admissions Office** on the Athens Campus, the **Student Services Office** at either the Elbert or Walton Campus, or the **Director's Office** at the Greene County Center. **Changing programs of study may affect financial aid status;** therefore, students must meet with a financial aid counselor before submitting this form. Students who do not declare a program of study (i.e., special admissions and institutionally accepted admissions) **are not** eligible for financial aid.
