Veterinary Technology: Personal Statement Submission Guidelines & Signature Form

Instructions: In your own words, provide short essay answers for each of the following questions. Each question must be addressed. Submissions must be typed (12 point font minimum). Your answers to all five questions combined should be no more than 500 words (total word count). Be certain to complete, sign and date this form as indicated below, and to staple it as a cover page to your submission.

Questions:

1. **Why do you desire to be admitted to the Athens Technical College Veterinary Technology Program?**
2. **What duties are typically assigned to veterinary technicians working in veterinary practices?**
3. **Discuss the many different career opportunities available for graduate veterinary technicians.**
4. **What life experiences have prepared you to be successful in this rigorous academic program?**
5. **Provide detailed information about your prior animal handling or animal care experience including that acquired as an employee or volunteer in a veterinary hospital or similar facility.**
 - If you list experience as a volunteer or employee at a facility other than your own home or farm, please provide the name, title and contact information of your supervisor(s) while performing those duties in the space below.

I certify that all of the foregoing and attached information is true, correct and an accurate reflection of my own knowledge and experience, and give my permission for communication with all listed references. I understand that misrepresentation is sufficient cause for rejection or dismissal.
