***Exceptions to the Exam Schedule:**

Classes that meet one day per week should normally hold exams on the day the class meets at the exam time closest to the time the class meets. For example, a W only class at 6:00 pm should hold its exam from 6:00-8:00 pm on Wednesday April 29 and Friday classes should hold their finals on Friday, April 24 at the time slot closest to their regular class time. Instructors should consult with the appropriate program director, adjunct coordinator, or dean to confirm that two exams are not scheduled in the same room at the same time before announcing the time for the final exam. Students should confirm the time for the final exam with the instructor.

ENGL 1101 and ENGL 1102 Final Exams

Most ENGL 1101 and ENGL 1102 final exams will be held on Wednesday, April 22. Classes meeting Friday only or Saturday only will have their exams at the regularly designated times. Students should contact their instructor for additional information.

Final Exam Policy

No time and date departures from the published examination schedule should occur without the prior approval of the dean of the appropriate division and the vice president for academic affairs.

Final Exam Schedule Conflicts

Students with three or more final examinations scheduled within the same calendar day or two examinations scheduled at the same time on the same day may request to reschedule one exam to another scheduled exam day. Students with conflicts should see the dean of the division that oversees the program in which they are enrolled in order to receive assistance in coordinating their exam schedules. The Office of Academic Affairs will provide assistance to the deans.
