

HOPE SCHOLARSHIP EVALUATION REQUEST

*** Please read and acknowledge understanding of the material with your signature ***

A **Financial Aid Application** must be completed and the student must be accepted in an **Associate Degree Program** at Athens Technical College in order to receive the HOPE Scholarship. This evaluation request is NOT a Financial Aid Application. This evaluation request allows Financial Aid to check to see if you are eligible for the HOPE Scholarship. Students who have a **Bachelors Degree** and/or a **defaulted loan** are not eligible for the HOPE Scholarship.

Students who did not earn the HOPE Scholarship from high school are able to earn the HOPE Scholarship after attempting 45, 90, and 135 quarter hours that will count toward an ATC Associate Degree Program with a cumulative grade point average (GPA) of 3.0 or higher.

Students can lose their HOPE Scholarship at the 45, 90, 135 hour checkpoints and after every Spring Quarter if they do not have a cumulative grade point average (GPA) of 3.00. Freshmen who have been part-time for three consecutive quarters can lose their HOPE Scholarship if they do not have a cumulative grade point average (GPA) of 3.00. Students who lose the HOPE Scholarship can earn it back after reaching the 45, 90, 135 quarter hour checkpoints and obtaining a cumulative grade point average (GPA) of 3.00 or higher.

Recipients of the HOPE Scholarship **transferring** from another college must complete a HOPE Scholarship Evaluation Request and pay their tuition and fees the day they register. If the student is eligible, they will be reimbursed and sent a letter stating that their HOPE Scholarship will pay their tuition and fees when they pre-register for the second quarter.

After 190 attempted quarter hours or 127 attempted semester hours, students can no longer receive HOPE Scholarship.
