

VETT 2300 VETERINARY TECHNOLOGY CLINICAL INTERNSHIP MASTER COURSE SYLLABUS

Instructors will provide students with additional course-specific information, including attendance/makeup policies, assignment/test scheduling, and instructor contact information, as necessary and appropriate.

Prerequisite(s):	VETT 2120, 2220, 2230 – all with grades of “C” or higher
Co-requisite(s):	None
Term(s) Offered:	Spring
Class Hours:	0
Lab Hours:	36
Credit Hours:	12

Course Description

This course introduces students to the application of veterinary technology procedures in an actual job setting under direct supervision of a veterinarian or a registered veterinary technician. Students are acquainted with occupational responsibilities through realistic work situations on the job. Job sites can include veterinary referral/teaching hospitals, private veterinary hospitals and clinics, research laboratories, and other facilities supervised by a veterinarian or a credentialed veterinary technician. Topics include, but are not limited to, office and hospital procedures, client relations and communications; pharmacy and pharmacology; nursing; anesthesia; surgical nursing; laboratory procedures; and imaging. The occupation-based instruction is implemented through the use of written individualized training plans, written performance evaluation, and required on-the-job training. Students must pay a \$50 radiation badge fee when registering for this course.

Course Competencies and Student Learning Outcomes

Office and hospital procedures, client relations and communications

Order	Description
1	Participate in facility management and effectively contribute to facility operation.
2	Perform basic filing of medical records, radiographs, lab reports, etc.
3	Perform creation and maintenance of appropriate facility records and logs in compliance with regulatory guidelines.
4	Implement sanitation procedures for animal holding and housing areas.
5	Display professional communication skills with clients and staff.
6	Relate knowledge of legal boundaries and ethical standards of veterinary team members.
7	Display a commitment to high quality patient care.
8	Respect and protect the confidentiality of client and patient information.

Pharmacy and pharmacology

Order	Description
1	Safety and effectively administer prescribed drugs to patients.
2	Differentiate between abnormal and normal responses to medication.

Nursing

Order	Description
1	Implement appropriate husbandry techniques to enhance wellness and reduce risk of disease, injury and stress.
2	Safely and efficiently obtain subjective and objective patient data.
3	Assess and monitor patient hydration status.
4	Demonstrate ability to follow medical orders.
5	Demonstrate the ability to accurately record medical information.
6	Attend to the maintenance and care of catheters.
7	Perform monitoring of therapeutic responses.
8	Participate in dental health evaluation and/or treatment.

Anesthesia

Order	Description
1	Safely and effectively manage patients in all phases of anesthetic procedures.
2	Safely and effectively select, utilize and maintain anesthetic delivery and monitoring instruments and equipment.

Surgical nursing

Order	Description
1	Participate as a surgical assistant and/or circulating nurse.
2	Participate in pain management of surgical cases.
3	Implement post operative care.
4	Participate in preparation and maintenance of surgical equipment, instrumentation and surgical environment.

Laboratory procedures

Order	Description
1	Participate in laboratory specimen management.
2	Perform and/or observe laboratory procedures

Imaging

Order	Description
1	Participate and observe diagnostic imaging procedures.

Required Textbook(s) and Materials

Students enrolled in this course are obligated to have the following:

Colville T. *Review Questions and Answers for Veterinary Technicians*, 4th ed. St. Louis: Mosby, 2010. ISBN: 978-0323341431

***** NOTE: All textbooks required in any of the ATC Veterinary Technology Courses in which you have been enrolled previously are required for success in this course****

Supplemental/Recommended Textbook(s) and Materials:

Bauer M. *The Veterinary Technician's Pocket Partner*. Clifton Park, NY: Delmar Cengage, 2010. ISBN: 978-1428357822

D'Andrea A, Sjogren J. *Veterinary Technician's Large Animal Daily Reference Guide*. Ames, IA: Wiley-Blackwell, 2013. ISBN: 978-1-118-69499-2

Jack CM, Watson PM. *Veterinary Technician's Daily Reference Guide: Canine and Feline*, 3rd ed. Ames, IA: Wiley-Blackwell, 2014. ISBN: 978-1118363508

Plumb DC. *Plumb's Veterinary Drug Handbook*, 7th ed. Ames, IA: Wiley-Blackwell, 2011. ISBN: 978-0470959657

Sirois M. *Mosby's Veterinary PDQ, 2nd ed.* St. Louis: Mosby, 2013. ISBN: 978-0323240666

Tighe M, Brown M. *Mosby's Comprehensive Review for Veterinary Technicians, 4th ed.* St. Louis: Mosby, 2015. ISBN: 978-0323171380

Grading Scale

The grading scale is detailed in the *Catalog and Student Handbook* and listed below for reference. All faculty members follow this scale when assigning grades to reflect a given student's performance in the classroom.

Grade	Numerical Equivalent	Grade Point
A/A*	90-100	4
B/B*	80-89	3
C/C*	70-79	2
D/D*	60-69	1
F/F*	0-59	0

The registrar uses an asterisk (A*, B*, C*, D*, F*, W*, WF*, WP*) to designate learning support course grades on transcripts and grade reports because these grades are not components of the term grade point average.

Academic Support Center:

The Academic Support Centers of Athens Technical College (ATC) provide free tutoring for enrolled students. Both instructors and peer tutors provide tutoring in almost all subjects offered by the college. Information about the Center is accessible via the ATC website at <http://www.athenstech.edu/StudentDevelopmentServices/AcademicSupportCenter>. To find out the specific services available on the Athens, Greene, and Walton Campuses, please call (706) 583-2839. To contact the Academic Support Center on the Elbert County Campus, please call (706) 213-2129.

Attendance

Regular class attendance is important and expected. The college considers both tardiness and early departure from class as forms of absenteeism. Students absent from class for any reason are still responsible for all work missed. Instructors have the right to determine whether work missed can be made up and have the liberty to set reasonable expectations for attendance based on frequency of class meetings and on the instructional delivery method, subject, type, and level of the class. Class attendance policies will be clearly stated for students by their respective instructors on separate documents (course outlines/schedules) or appendices to the master syllabus.

Course Withdrawal

Students may withdraw from a course without academic penalty until the midpoint of the term. Students withdrawing after the midpoint of the term receive grades of WP – Withdrawal Passing, or WF – Withdrawal Failing. Students who stop attending class(es) without formally withdrawing risk earning a final grade of F, which will appear on the academic transcript. Withdrawing from a course may impact financial aid status, academic standing, and GPA. Refer to the ATC *Catalog and Student Handbook* for further details. <http://www.athenstech.edu/Catalog/>

Course Technology

Course addendum will provide details concerning the use of technology in the course. Course schedule types include **web-enhanced** – taught face-to-face; **online** – taught online using the internet, may require proctored exam; **hybrid** – class time is split between face-to-face and online; **video conference** – taught at two or more campus locations simultaneously with instructor located at one of the classroom locations. More details are available on the Athens Technical College website. <http://www.athenstech.edu/eLearning/CourseList.cfm>

Continuation of Instruction

In the event of severe weather or other emergency, students will be expected to continue participating in learning activities via ANGEL, Athens Technical College email, or other modality. Instructors will provide a plan for the continuation of instruction.

Work Ethics:

To fulfill the responsibility to teach essential workplace ethics, the college provides students instruction in, and evaluates students on, the following ten work ethics traits: attendance, character, teamwork, appearance, attitude, productivity, organizational skills, communication, cooperation, and respect. To best equip students for successful workplace experiences in their chosen profession, instruction and evaluation takes place in the context of their program of study.

Academic Honesty

Academic honesty is expected at all times. Any student found to have engaged in academic misconduct such as cheating, plagiarism, or collusion is subject to disciplinary sanctions as outlined in the Student Code of Conduct detailed in the ATC *Catalog and Student Handbook*. See the following link for the complete Academic Honesty policy.

<http://www.athenstech.edu/StudentAffairs/AcademicHonesty/Academic%20Honesty.pdf>

Students are also advised to complete the tutorial on Academic Honesty available here:

<http://www.athenstech.edu/StudentAffairs/AcademicHonesty>

Americans with Disabilities Act

It is our goal at Athens Technical College to provide equal access to education for all students. Any student with a documented disability is eligible to receive reasonable academic adjustments and auxiliary aids in the classroom and/or for testing at Athens Technical College, as long as appropriate documentation of the disability has been submitted to the Disability Services Office in a timely manner. Students can access the application packet on our website.

http://www.athenstech.edu/CurrentStudents/orientation/files/disability_services_application.pdf

Cell Phones and Electronic Devices

Cell phone use in the classroom for non-instructional purposes, with the exception of receiving emergency notifications, is prohibited.

Food/Drinks in Classroom

Food and beverages (other than water) are not allowed in classrooms/laboratories/clinical assignments.

Communication with ATC Faculty and Staff

Students, faculty, and staff must use Athens Technical College email and ANGEL accounts for all college-related communications. Students are obligated to check their email and ANGEL accounts on a regular basis, preferably daily.

Warranty of Graduates

The Technical College System of Georgia warrants every graduate of technical programs in which students may earn technical certificates of credit, diplomas, or associate degrees. The warranty guarantees that graduates demonstrate the knowledge and skills and can perform each competency as identified in the industry-validated standards established for every program of study. If one of our graduates educated under a standard program or his/her employer finds that the graduate is deficient in one or more competencies as defined in the course/program standards, Athens Technical College will retrain the employee at no instructional cost to the employee or the employer. This guarantee is in effect for two years after graduation.

TEACH Act

According to the TEACH Act of 2002, Athens Technical College is obligated to advise you that instructional material included in this course may be subject to copyright protection. As such, you must not share, duplicate, transmit, or store the material of this course beyond the purpose and time frame explicitly stated in the syllabus of your course. If you are not certain whether a particular piece of material is covered by copyright protection, you should contact your instructor and obtain his/her written clarification. Failing to observe copyright protection is a violation of law.
