Complete the Online New Student Orientation

To complete the orientation, go to www.athenstech.edu, select “Current Students” from the top menu, and then select “New Student Orientation” from the Student Services area. Use your 910xxxxxx student ID number to take the assessment and record your completion. This orientation MUST be successfully completed prior to advising and registration. Once complete, you do not have to repeat every semester.

Complete the Online E-Learning Orientation

To complete the orientation, go to www.athenstech.edu select “Current Students” from the top menu, then select “E-Learning Orientation” from the Academic Services area. Use your 910xxxxxx student ID number to take the assessment and record your completion. This orientation MUST be successfully completed prior to advising and registration. Once complete, you do not have to repeat every semester. NOTE: Classes will not be available in Blackboard until the first day of each semester. Students taking online classes must sign in to each online class the first day of the semester.

Financial Aid: Dual Enrollment Funding Application

Go to https://www.gafutures.org/ and complete the Dual Enrollment funding application prior to registering for classes each semester! Your high school counselor must complete part 2 of your Dual Enrollment funding application before the fee deadline each semester. NOTE: Students are NOT allowed to remain in classes without funding, so if the funding application is not completed. This application MUST be successfully completed prior to advising and registration, and you must provide proof prior to registering.

Advisement and Registration

Before meeting with your Athens Technical College Advisor, meet with your High School Counselor to determine courses required for HS graduation. It is imperative that you check your Athens Technical College Academic history each semester to make sure you are meeting the SAP, satisfactory academic progress, to remain eligible to enroll each term. The policy is found at this link: http://www.athenstech.edu/studentAffairs/financialAid/policies.cfm

- Students MUST have successfully completed both the New Student & E-Learning Orientations as well as the GAFutures funding application, and will be required to show proof prior to advisement and registration. See detailed instructions above to complete orientations.
- Many high schools will hold a mandatory student and parent orientation for Dual Enrollment, so ask your high school counselor for more information.
- Do NOT miss high school for advisement or registration! Students will meet with an Athens Technical College advisor from Dual Enrollment to plan and register for classes each semester. If students are closer to a campus besides Athens, please email the staff at dualenrollment@athenstech.edu to schedule an appointment.

Advisors are located at the Athens Campus:

- Tracie McGhee tmcghee@athenstech.edu 706-355-5050
- Michele Petee mpetee@athenstech.edu 706-355-5045

Contact us at dualenrollment@athenstech.edu
Website: www.athenstech.edu/dualenrollment

Check the Academic Calendar on the website for dates for each semester: http://athenstech.smartcatalogiq.com/en/2019-2020/Catalog/Academic-Calendar

Registration is on a first come first serve basis, so register early!

Fall Begins - June 11  Spring Begins - October 1  Summer Begins - February 18
□ Student ID

Students do NOT have to miss high school to get an ID. After registration, report to the Student Center in the H building to have a student ID made. This ID serves several purposes, including use as a library card and providing discounts at area businesses. If you are taking classes taught at your high school, you may have a time scheduled as a school to come and get ID’s and pick up books, so check with your counselor before coming.

□ Parking Decals

Students do NOT have to miss high school to get a parking decal. After registration, report to the Student Affairs Reception or Admissions Area in the H building to obtain a parking permit. This permit serves as the ID for parking at any of the Athens Technical College campus locations. It is important for you to have this permit displayed at all times while on an Athens Technical College campus.

□ Books and Supplies

Students do NOT have to miss high school to pick up books. Textbooks are provided from the Athens Technical College library to all Dual Enrollment students at no charge. Students may pick up textbooks at the Athens campus library. You must return all textbooks to the library at the end of each semester so you are not charged, as this is a lending library resource for dual enrolled students only.

- If you would like your books sent to a different library or would like to arrange for possible earlier pick-up, please email Sheba Grafton sgrafton@athenstech.edu to see if that is an option. Check your syllabus and with your instructors for a list of required course supplies.

□ Student Email

Follow the detailed instructions and password retrieval on page 20 of the Online New Student Orientation to set up your Athens Technical College student e-mail account prior to the first day of class. NOTE: The College will ONLY communicate with students via the Athens Technical College student email once classes begin. Passwords do expire every 30 days, so you must keep track so you do not get locked out of your email or other needed technology.

□ Blackboard E-Learning

Follow the detailed instructions and password retrieval on page 5 of the Blackboard E-Learning Orientation to set up your Athens Technical College Blackboard account prior to the classes beginning. NOTE: Courses will not appear in Blackboard until the first day of class. The user name is the same as email without the @student.athenstech.edu part and password is the exact same as email. Passwords do expire every 30 days, so you must keep track so you do not get locked out of your email or other needed technology.

- For online classes, you must login the first 24 hours of class to remain enrolled.

□ Banner Web

To access your Banner Web - Student Information Account, go to www.athenstech.edu select “Current Students” from the top menu, click on “Banner Web” in the “Student Services” area, and then click on “Enter Secure Area”. Enter the exact same user name and password as you used with Blackboard. Banner Web allows students to view and print a detailed class schedule that shows when classes begin, end and holidays, check and pay outstanding balances, change address and telephone, view and print grades, and print an unofficial transcript. Passwords do expire every 30 days, so you must keep track so you do not get locked out of your email or other needed technology. NOTE: YOU must print your schedule of classes from Banner Web and take a copy to your high school counselor so they can approve your Dual Enrollment funding.

□ Technology Help

To receive assistance with any technology help for Email, Blackboard/E-Learning, or Bannerweb, go to link: http://www.athenstech.edu/infoTech/studentEmail/stechspt.cfm to gain access.

□ Additional Points of Interest
