

ATHENS TECHNICAL COLLEGE 2019 Retesting Calendar & Testing Directory

College applicants may elect to retest **one time only** in Sentence Skills, Reading Comprehension, Arithmetic, and Elementary Algebra after waiting a minimum of 30 days from the original test date. Instructions for registering to retest are on the reverse side of this calendar.

If you are currently enrolled in any 0977, 0098, 0989, or 0099 learning support class for writing, reading, or math, you will not be permitted to retest in that area until after the current school term has ended.

The Retest Registration Form and payment must be submitted to the ATC Campus of your choosing at least 24 hours prior to the selected test date. Testing is done on a first-come, first-served basis. If the test session you want is full, it may be necessary for you to choose another date.

Students who score below the Regular Admission range after being retested will be placed in the learning support courses that correspond with their highest current placement score in the area being evaluated. To be eligible for admission to any program at Athens Technical College (except Commercial Truck Driving), a student must score above the Adult Education level in Sentence Skills, Reading Comprehension, Arithmetic, and Elementary Algebra on ACCUPLACER, COMPASS or ASSET.

Except for currently enrolled high school students, all applicants who retest and score a second time in the Adult Education range in the basic skills areas of writing, reading, and/or math (pre-algebra) will be referred to the Adult Education Center in their county of residence for remedial work before being allowed to retest an additional time. High school students scoring in the Adult Education range will not be allowed to retest again until after they graduate from high school.
