

**Northeast Georgia WIOA Eligible Provider List**  
**Workforce Development Division**  
**706-369-5703**

The State Eligible Provider List (EPL) is currently under modification by the Governor’s Office of Workforce Development. During this time, our local area will use a list of contract schools, and whose programs align with our local “demand occupation list”, to create our Local EPL. We will use our Local EPL during this transitional time. Once the State’s EPL is complete, we will continue to work with programs that are on the State’s EPL, AND on our demand occupation list.  
(This list is effective as of September 2022)

\*\*\* Please be aware this list is subject to change. Depending on the demand in our area, we may not be able to cover the program/ school of choice under the WIOA program. Contact the WIOA office to confirm.

\*\*\* Please be aware we do not assist with core and/ or provisional classes (for any program under the Medical Field only) at a 2 or 4 year college.

\*\*\* Please be aware there are deadlines associated with each school. It is the responsibility of each student to inquire with the desired school of these deadlines and each student must have All required documents faxed into the Workforce Development (WIOA) office by our set date.

\*\*\* Please be aware that some Schools maybe On Hold until further notice.

**Ashona Medical Institute-**
