

CARES Act Distribution Plan

The Coronavirus Aid, Relief, and Economic Security Act (“Cares Act”) was signed into law by President Trump on March 27, 2020. The Act, in part, provides funds to institutions of higher education through the United States Department of Education (ED), and stipulates that at least 50% of the funds must be provided students as emergency relief grants.

Athens Technical College will utilize significant discretion on awarding these emergency assistance grants to eligible students. The only statutory requirements are that students use the funds for expenses related to the disruption of campus operations due to COVID-19 and students are eligible to receive Title IV funding based on the criteria outlined under Section 484 of the Higher Education Act of 1965, as amended (HEA).

Student Eligibility Requirements

Students who meet basic eligibility criteria for federal financial aid (Title IV) funding can be considered for the Higher Education Emergency Relief Fund (HEERF). The Office of Financial Aid will use the Free Application for Federal Student Aid (FAFSA) as well as Admission and Academic criteria to determine student eligibility.

Under the guidance provided by the Department of Education, funds can be awarded to students that meet the following conditions:

- Were enrolled on/after March 13, 2020 in at least one (1) credit hour for a Title IV eligible program that leads to a certificate, diploma, or degree.
- Has a FASFA for the 19/20 award year.
- Has a FAFSA/ISIR with no outstanding verification requirements.
- Has an eligible Satisfactory Academic Progress (SAP) status.
- Has met the college’s admission requirements.
- U.S. Citizen, Resident or eligible non-resident

Ineligible Students

Under the guidance provided by the Department of Education, Athens Technical College has determined the following students are ineligible to receive the emergency assistance grants.

- Dual Enrolled (HS) students
- Foreign Students
- DACA Students
- Transient Students
- Non-credit recipients
- Students that have actively defaulted student Loans, overpayments or other loan eligibility restrictions
- Students enrolled only in a part-of-term (POT) that ended prior to March 13, 2020.

Distribution Plan Models

The COVID-19 Pandemic has disrupted students in a number of ways generating financial hardships related to employment, housing, childcare, food, utilities, and medical expenses. To provide our eligible spring students the available financial assistance Athens Technical College will award students emergency aid grants based on the following distribution formula.

Even Distribution: Athens Technical College has identified 1,968 students for the spring semester and approximately 998 for the summer semester that meet the eligibility criteria and Athens Technical College has identified this student population as having been 'impacted or disrupted by COVID-19'.

Total Approved CARES Act funding is \$2,983,204

First Distribution Plan: Allocate \$1,080,432.00 for students by May 27, 2020

Total Number of Spring Eligible Students: 1,968

Spring disbursement: \$549.00

Spring Eligible Enrollment: \$1,080,432.00 Available – approximately 70%

Total Allocation	Total Students (Spring)	Per Student Award Amount	Total Awarded
\$1,080,432.00	1968	\$549.00	\$1,080,432.00
