Parking Information

Student Parking Permits may be obtained at the Student Affairs Information Desk, from the Admissions office, or from the Library on the Athens Campus. These parking permits must be displayed on all student vehicles parked on campus. Hang tags should be displayed from the vehicle rearview mirror, and stickers should be affixed to the outside of the rear window in the lower-left corner (driver's side.)

Parking areas for student use have been specifically designated. Illegally parked vehicles (those without proper parking stickers or those parked in reserved or restricted areas) will be issued parking tickets.

A security guard patrols the campus to provide security for students and their vehicles, to enforce parking regulations, and to assist with vehicle-related problems. Parked areas are lighted, however, when you return to your vehicle after dark, consider asking a classmate to go with you or contact security for an escort.
