**The Northeast Georgia Regional Commission Workforce Development Division provides occupational skills training in Demand Occupations for industries that are stable or growing. Skills training will not be provided in declining industries. At present, occupational training is only provided for jobs and careers where hourly rates and salaries are paid. Training is not provided for careers or jobs with commissions and fees (this includes real estate, cosmetology, massage therapy and nail technicians). Additional sources of financial aid may be available through the school's Financial Aid Office.**

**This listing serves as a guide, and is not meant to be all-inclusive. There may be additional occupations in which demand occurs based on the job market or specific opportunities within the broad spectrum of occupations. The NEGRC WDD may provide training for a job where demand is limited, but current openings exist. Bona fide job offers, letters of pre-hire and/or three employment posted ads for that occupation may be required for training in limited demand areas.**

- (1) Intermediate or higher level IT training requires previous IT related work experience.
- (2) Healthcare occupations will be considered upon completion of core classes and/or prerequisites and acceptance into the occupational specific program of study.
- (3) Requires background and Motor Vehicle Report (MVR) check.
- (4) Six Sigma and Project Management Certifications will be considered on a case-by-case basis determined by the applicants work experience and industry.
