Parent/Guardian First & Last Name

As the Parent/Guardian of the above student, the student and I understand the following. Please initial each item:

- I/we have read the Dual Enrollment guidelines found on the GAFutures website www.GAFutures.org and informed the high school counselor that we want to participate in dual enrollment.
- I/we understand that students must complete all Athens Technical College application procedures for both the college and GAFutures and meet college entrance requirements.
- The GAFutures funding application completion is the responsibility of the student, and must be done every year. I/we understand that the responsibility of the application completion by all responsible parties, (student, parent, high school, and college) is up to the student.
- I/we understand that the **Dual Enrollment program covers the cost of tuition, mandatory fees, and books for up to 30 semester hours.** Be advised that any expense over the 30 hours that is not eligible for Dual Enrollment funding will be the responsibility of the student.
- I/we understand that the student is responsible for tracking all credit hours attempted and/or earned by the student at all colleges the student has attended in the Dual Enrollment program.
- I/we understand that the student may be registering for credit hours that may not be eligible for Dual Enrollment Funding available under the Georgia Law (HB444), and if my student is not eligible for dual enrollment funding for any reason, I/we agree to pay all tuition, fees, supplies, and book costs that are not covered by the Dual Enrollment funding program, at the applicable residency rate. Examples:
 - Course(s) may not be listed on the www.GAFutures.org course directory, and therefore not approved for dual Funding.
 - Student has taken more than the maximum 30 hours allotted for the program.
 - Enrolled in a General Education (core) course as a 10th grader without meeting requirements.
 - Satisfactory Academic Progress (SAP) must be met to remain in good standing with the college. SAP requires a minimum of a 2.0 GPA and completion of 67% of all college classes.
 - Withdrawn from two courses. Students must notify the college **AND** high school in writing if a they withdraw from any college class.
 - Retakes a course for which has already be taken and paid by Dual Enrollment funding.
 - Enrolled in a course that the high school does not authorize.
 - Attends a high school that is not a participant in the Dual Enrollment program.
- I/we understand that we may be eligible for the HOPE Grant/HOPE Career grant for eligible courses/programs. I/we must provide proof of lawful presence, i.e. submit required documentation. I/we acknowledge that this grant may not cover 100% costs and agree to pay all tuition, fees, supplies, and books not covered by these grants.
- I/we understand that textbooks are on loan from the college's library and must be returned to the college's library at the conclusion of each semester.

- I/we understand that if the student wishes for us to communicate with his/her parent/guardian, a college **Release of Information** form must be submitted to registration and records. This is a federal law, FERPA, Family Education Rights and Privacy Act.
- I/we understand that student will take college-level coursework that covers college content. If a question arises, it is the **student's** responsibility to first contact the college instructor to attempt resolution.
- Athens Technical College provides reasonable accommodations for any person with a disability. An IEP developed at the high school level does **not** apply to college courses. At the college level, requests for accommodation must be **student initiated** by enrolling in services through the college.
- I/we understand that **all online classes** will require an **on campus proctored** midterm and/or final exam.
- I/we understand that the student must adhere to college policies and procedures for courses taken with the college. This includes course attendance policies, missed assignments/tests, make-up work, academic honesty, etc.
- I/we understand the student will receive an academic letter grade displayed on the college transcript sent to the high school and the high school will convert this into a numeric grade. The student is responsible for keeping both the high school coordinator **and** high school counselor informed of enrollment and academic status, i.e. students must be enrolled in an eligible high school and remain on track for high school graduation to participate in the dual enrollment program.
- I/we agree to the flexible class schedule of Athens Technical College which indicates that the student may NOT be required to attend class(es). College class formats can be online or face to face and may not meet every day of the week as specified by the college schedule and instructor. The college is not responsible for tracking attendance and student locations as they are in college while dually enrolled.
